Dear [REDACTED],

Further to our previous correspondence regarding your request for the following information:

Under the Freedom of Information Act, can I please ask that you provide a list of names and job titles of managers, directors and senior staff that work in the Project Delivery, Portfolio, Programme, Digital and Product teams within the organisation.

Your request has been handled as a request for information under the Freedom of Information Act 2000 (the Act).

We can confirm that AWE holds all of the information you have requested, however some of the names and job titles are exempt from disclosure under section 40(2) of the FOI Act and have been redacted from the attached spreadsheet.

Section 40(2) has been applied to withhold some of the names and job titles in order to protect their personal information as governed by the Data Protection Act 2018. Section 40(2) requires AWE to conduct a balancing exercise, this exercise involves balancing the rights and interests of individuals against the legitimate interests in disclosure, this is not the same as carrying out the public interest test associated with certain exemptions in Act.

The balancing exercise is carried out in order to decide whether the absolute exemption in section 40(2) is engaged. In particular, there is no assumption of disclosure in the legitimate interests test, as there is with qualified exemptions. The outcome of the balancing exercise lay in withholding the third-party personal data identified in the attached information.

If you are unhappy with the way your request has been handled you have a right to request an internal review within 40 days of receiving this letter, by writing to information.requests@awe.co.uk or our postal address: Information Requests Team, AWE Aldermaston, Reading, RG7 4PR. If you are still unhappy after an internal review has been completed, under the provisions of Section 50 of the Freedom of Information Act 2000 you have the right to take your complaint to the Information Commissioner's Office. Please note the Commissioner will generally not consider a complaint until you have exhausted AWE's internal complaints process.

Yours sincerely,

AWE Information Requests Team
